

General measures to minimize exposure to Covid-19 during the event Pompadour Complet from 12th April to 14nd April 2021

These measures are enforced during the event organised at Pompadour from 12th April to 14th Avril 2021.

These measures have been established on 7th of April 2021 and may be updated according to government recommendations. The event is exclusively taking place outside. The wearing face masks is compulsory.

Allowed visitors must be aware of the sanitary situation in the country and Corrèze Department at the date of the event.

The following annexes deal with gathering during meals, the welcoming of volunteers and competitors and volunteers briefings.

Annexe 1 : Welcoming of volunteers

Volunteers will be welcomed in the space named « Accueil des bénévoles ». Outside, people must wear face masks and as soon as possible put a distance of 1m of physical. All volunteers will be given face masks on arrival. We will offer two reusable masks at all volunteers at theirs arrival. Sanitary gel will be available on different places on-site for volunteers.

Arrival: There will be temperature checking on volunteer arrival. An information mail about prevention practices will be send before event , the informations will be give also on site at all volunteers during a briefing. In the volunteer space, posters about prevention practices and governmental recommendations will be put on the walls.

Catering: Meals will be taken at the catering according to pre-established times. The wearing of face masks is compulsory during services. Volunteers are asked to respect a physical distancing of 1m when they come inside and sit down. The indicated way of circulation must be respected.

Accommodation: The OC is not in charge of volunteers' accommodation during the event.

Violation of rules:

Anyone who does not comply with the sanitary measures will be asked to leave the site.

Annexe 2: Welcoming of riders and grooms,

The wearing of face masks is compulsory.

Arrival: On their first arrival, a temperature checking will be done on all persons entering the site (riders, grooms and kin). An information meeting will be held to remind people of prevention practices at the beginning of the event.

Riders, or people under their responsibility must strictly use personal equipment.

Training areas: Access to training areas will be limited in order to respect the minimum physical distancing required on competition days. competitors must respect the circulation way posted.

Sanitary facilities: They will be cleaned 2 times by day with certified products.

Violation of rules: Anyone who does not comply with the sanitary measures will be asked to leave the site and / or forbidden from competing. Any excluded person cannot ask for reimbursement.

Annexe 3: Treatment of Covid-19 case(s)

For any case(s) declared the OC SCHK must be immediately informed. A crisis Covid-19 group is present on site, in close liaison with ARS, during the whole event.

Symptomatic cases:

Competitors, grooms or kin:

- immediate return to competitor's lorry, or if not possible isolation in the isolation cell on site for the purpose.

Visitors:

- immediate return in their car, or if not possible isolation in the isolation cell on site for the purpose.

Declared cases:

- as soon as the family or the person has confirmation of the case, the OC SCHK be informed.

- information to people who might have been in contact

For all :

- information to public health services (ARS)

- a return on site after written medical prescription by treating doctor.

- cleansing of the isolation cell.
